THE HISTORICAL SOCIETY OF GREATER PORT JEFFERSON

HOME OF THE MATHER HOUSE MUSEUM

HOME MUSEUM COMPLEX ABOUT HISTORY EVENTS CONTACT

Website: www.portjeffhistorical.org

Welcome to the home of the Port Jefferson Historical Society at the Mather House Museum. Inside you will find information about Long Island History and the shipbuilding industry that once flourished on these New York shores. The museums complex consists of the main home of shipbuilder John T. Mather with antiques, furniture, paintings by William Davis of boats, boat building and ship yards of the Bayles and Willse family. The outbuildings consist of a country store, tool shed, butcher and barber shops, post office, carriage house, marine barn with diorama, sail loft, and Clock Museum and school. Also featured are the gardens surrounding the property, containing herb and perennial gardens.

Beaches, Parks & Fields

From the beautiful beaches of our historic waterfront village, to the top of our uptown area, Port Jefferson Village offers multiple playgrounds with beautiful parks for games and sports, along with many little welcoming pocket parks for an area to rest or just enjoy.

Our East and West Beaches are over two miles of shoreline with parking facilities for Village residents, offering fishing, sunbathing or just strolling on the sand. The beach includes an area for picnic tables, a swing set play area, and staffed facilities for safety and enjoyment. Beaches are open from mid-June until Labor Day, with lifeguards on duty from 10:00 AM until 6:00 PM, daily.

Fronting along the water is Harborfront Park, home to our Village Center. The large grassy picnic areas are opened to the spectacular view of Port Jefferson Harbor. Landscaped walkways lead to the pier jetting 350 foot out onto the harbor.

Located in the heart of the downtown area is Clifton H. Lee Memorial Park, known as "Rocket Ship Park". Accessible from many points, the park has multiple swings and climbing equipment, a basketball court, three lighted tennis courts, and a large picnic area.
